The Equine Lameness Prevention Organization is looking for your SUPPORT...

Farriers, Veterinarians & other Equine Professionals from across the U.S. and abroad will be in attendance at the International Lameness Prevention Conference to see featured speakers, Stuart Muir, Steve Foxworth, Gene Ovnicek, David Nicholls & many more in October of 2022. This year's event is being held from October 13 - 15 in beautiful Colorado Springs, Colorado. We are offering certain sponsorship levels with **several hours of tradeshow** booth space, also known as our "**Sponsor Showcase**". This venue offers a great opportunity for businesses to highlight some of their products and gain exposure with a diverse audience, while at the same time supporting a worthwhile organization and event. There are several Corporate Sponsorship Opportunities available to fit all budgets. As a 501(c)(3) Non-Profit charity, we also accept any tax-deductible donations that we can use for drawing prizes or silent auction items. All proceeds will be directed to the E.L.P.O.'s Research & Education Fund and your contributions will be recognized and promoted throughout the conference. Please take a moment to look over the options available on the back of this flyer. We appreciate any and all of the SUPPORT you can offer!
